Reserve Study Information

The MCM Board of Directors had an updated Reserve Study completed in February from the original study that was completed in 2016. The Reserve Study is to help our HOA financially plan for future maintenance and improvements in and for our community. The HOA Board wanted to get the study updated due to the rising costs and ensure a stable long-term financial condition of our HOA. You can access all the Reserve Study information at the below link on our MCM website. There is also a Special Meeting planned for Tuesday May 16th to review this Reserve Study in full detail as well as options to bring in additional income for our community and reduce costs. Please attend this meeting either by Zoom or In Person if you are able as there will be important discussions for the future of our community. If you have any questions at all about the Reserve Study, please reach out to the HOA board at BoardofDirectors@marinecreekmeadows.com.
