

MCM Neighborhood Annual Tree Planting Program

It is time for our Annual MCM Neighborhood Tree Planting Program! Each household is eligible for 2 free 5-gallon container trees which are provided through the City of Fort Worth, Park & Recreation Department-Forestry Section. The deadline for signing up to claim your free trees is Friday October 16th. All trees will be delivered to our front pool located on Marineway Dr on Friday October 23rd and Kim Quin will be coordinating the pickup of the trees.

Please note: There is no guarantee that you will receive the trees requested, but every effort will be made to match your request.

To reserve your trees or for additional information, please send an email directly to Kim Quin, gkquin@charter.net, or you can send an email to the board from our MCM website at the link below. Please ensure to include your Name, Address, Phone Number, Email Address and the two trees that you prefer to receive.
