## MCM 2021 Season Pool Closure Information

Our MCM community pools will be closed for the year on Monday October 4<sup>th</sup>, 2021. We have had some gate issues with the Spoon Drift pool over the last several weeks as the current gate system company has been unreliable. We are working to replace the gate system at both pools during the off season, and also switch to a different company for maintaining the gate system moving forward so that we can reduce the number of issues we have experienced. More information will be sent on this process as soon as it is available. We will also be changing the hours of operation for our pools starting next season as well. The new hours of operation starting next season will be 6:00 am to 10:00 pm daily. We were not able to update the pool hours this year as we needed to have updated signage at the pools to match the updated pool hours before the hours can officially be changed. We will be working to get the updated signage completed during the off season as well so that we can start out next season with our new pool hours. Please let the board know if you have any questions at all and hope everyone had a great summer!
